Yes, but there are limits on how much space you can get, and a mail-in fee of \$15.00 will be charged. (See rules, page 2, for complete information.)

8) What about insurance?

We are not able to provide insurance coverage for your art, but your own property insurance should cover your art (please verify with your agent). We have not had any problems for the past ten years. Our staff provides TLC for the art when the show is open; we have sleepers and alarm the doors when the show is closed.
